

LEASING PROGRAM

LEASING PROGRAM

Leasing your gym equipment is the ideal approach in managing your fitness facility. The F1 Recreation Leasing Program is designed to help gym owners save money, time and resources.

6 BENEFITS OF LEASING

Compared to direct purchase

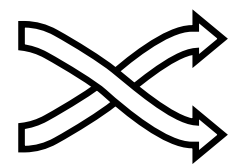

Convenience

Maintenance, repairs, replacements all under one roof.

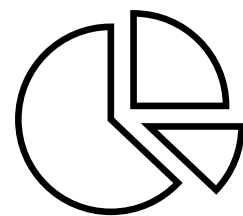

Cost Efficient

We offer the highest savings by bearing the cost of maintenance and parts.

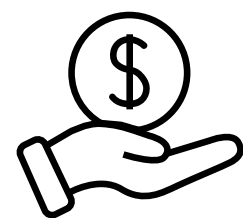

Flexibility

You do not have to keep your assets indefinitely. Allows you to decide what you want to do after each lease period.

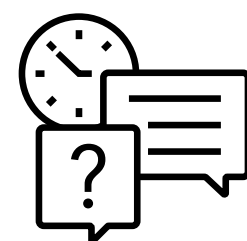

Easy Budgeting

No more unplanned expenses related to fitness equipment.

Save Your Working Capital

Allows you to conserve cash for other more productive purpose.

24 Hour Response Time

With our USD \$1 million worth of spare parts, your equipment will have a shorter downtime.
